The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Mobile Facilities for Homelessness and Eviction Assistance project in fiscal year 2024. The entity to receive funding for this project is Community Firm (DBA Community Economic Defense Project), located at 1035 Osage ST Suite 835, Denver, CO 80204. The funding would be used to purchase a “Just Bus” which would provide a mobile office to provide integrated, supportive eviction and homelessness prevention services to clients in various parts of the district. The project is an appropriate use of taxpayer funds because eviction and displacement disproportionately impacts economically disadvantaged communities including parents with children. A mobile office will allow Community Firm to serve a wider range of clients in a more direct and efficient manner, bringing additional staff and resources to underserved parts of the state through client-accessible, mobile facilities at courthouses, community organizations, and other locations.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jason Crow".
